WARNING!

To the Housewives of Norwich:
You will surely be
ROBBED
this summer of a vast amount of time
and strength, if you persist in iron-
ing in the old fashioned way. The
new

THERMAX GAS IRON

is yours for less than half the cost of
an electric iron, and is five times
cheaper to iron with, in fact the cheap-
est known method. A big bargain at
\$3.00 but to get them quickly into the
hands of the people we are making a
special introduction price, for a limited
time, of only \$1.99, complete with
necessary tubing. Don't forget that the
world's best cooking stove is the gas
range. They are rapidly displacing
oil, CAN'T contrivances. Steer
clear of a make-shift. Buy the real
thing. It's better to be sure than to
be sorry. Call and examine ranges
that insure lasting satisfaction.

Advice to Mothers

Have you had baby's photograph
taken?
It's an art to take baby's photo-
graph as it should be taken. To catch
his roguish little smile, his pretty little
dimples, such photographs become prize
reminiscences of babyhood's days in
years to come. We have had years of
experience in photographing children.
They always look their best when we
take them. No troublesome posing.
Snap them in a jiffy.

A peep-into an up-to-date bathroom

St. Mary's Holy Name Society Makes
Plans for Part in County Celebration—
Bible Class Plans Picnic—Personals.

A large attendance was at the meet-
ing of the Holy Name society, held in
St. Mary's church Sunday afternoon.
President Joseph Donnelly presiding.
Among other matters, five new mem-
bers were admitted into the society.
The principal business, however, was
to complete plans for the parade which
is to be given in New London on
September 8. It was voted that the
members would turn out in uniform,
bearing their badges. The uniform
will be as follows: Dark clothes, white
shirt, black bow tie, white gloves,
white felt hat, society badge and cane.
It was also voted to head the society
with a brass band, in the parade.
The committee in charge expects that
nearly 200 members will turn out from
the Greenville society, but no definite
mode of transportation has yet been
settled. Those who have charge of
the plans are President Joseph Donnelly,
chairman, John J. Shea, William
Mahoney, C. J. Mahoney and Joseph
Bellevue. The celebration has been
formerly a local one, and this is the
first time that it has been made a
county affair.

The parade will be a big one for the
shore city, as societies from Norwich,
Plainfield, Central Village, Jewett City,
Mooseup, Westerly, Stonington, Mont-
ville, New London, and several other
places will take part in the parade,
and it is expected that over 2,000 will
be in line. On their arrival in the
city the societies will assemble at St.
Mary's Star of the Sea church, where
they will line up. The Fort Wright
military band will head the parade,
followed by the New London society,
which will be followed by St. Mary's
society of this city. The other
societies will form in line in the order
of the date of their organization. Fol-
lowing the parade a buffet lunch will
be served at St. Mary's by the ladies
of the parish and speeches will be
heard by prominent laymen of the
county. Great enthusiasm in this part
of the county is being shown, by all
the members, who are planning to
make it a big day for New London.

Good Will Bible Class Outing.

The Good Will Bible class will hold
its annual picnic on Saturday, August
17, at the Drawbridge. The class will

Prohibitionists Start the Ball Rolling

State Chairman Hohenthal Was in Norwich and Addressed
Street Rally Monday Evening—Senatorial Convention
Nominates Robert McNeely of this City—Presidential
Nominee Here September Thirteenth.

The prohibitionists of the Nineteenth
district came forward into the political
arena on Monday evening with a street
rally followed by the convention in the
mayor's office in the city hall.
What they lacked in size and num-
bers, the prohibitionists made up in
enthusiasm and they are expecting to
poll a bigger vote, locally and state-
wide, this fall than ever before. Dis-
satisfaction with existing political
parties is one of the salient reasons
why the prohibition party believes
that there will be numerous additions
to its ranks this year.

It was announced that the prohibi-
tion candidate for president, Eugene
W. Chaffin of Arizona, formerly of
Wisconsin and Illinois, is to be the
east on a campaigning trip early in
the fall and will visit Norwich on Fri-
day, September 13. It will be an even-
ing meeting and the party will make
their presidential nominee's visit the
occasion for a big demonstration. Fol-
lowing his campaign plan four years
ago, Mr. Chaffin will make a flying
trip through New England, giving four
days of his time to Connecticut. Four
years ago when he was running for
the office of president he made 800
speeches in his campaign, and he is
planning to better his record this
fall.

State Chairman Emil L. G. Hohenthal
reached Norwich at 6 o'clock on
Monday evening, coming from South
Manchester with his son Lester in the
automobile purchased for the state
campaign of 1912. They were the
guests at dinner of Mr. and Mrs. Jo-
seph J. Fields of Broadway. At 7:30
the open air meeting was held at the

Chelsea Savings bank corner. Frank
S. Robbins, "the Little Giant" of Free-
son, made an earnest appeal for the
support of the people in overthrowing
the liquor interests. Mr. Hohenthal
also spoke from the automobile and
said that he had been nine months
continuously at the capitol in Hart-
ford and had noticed that the lobby-
ists of the railroads and other cor-
porate interests were hand in glove
with the liquor interests. The state
chairman laid particular emphasis on
a recent trip to Litchfield, where he
found Senator Rockwell of the
state republican committee and E. E.
Rogkins, one of Hartford's biggest
liquor men, out on automobile tour
together. He appealed also for a
program that gave Norwich a place
in our political life. More than 50
listened to the speech making.

At the convention at eight o'clock
State Chairman Hohenthal presided.
Ernest Allison Smith, county organ-
izer, was clerk, and there were ten
present.

For senator from the Nineteenth
district Robert McNeely of this city
was nominated by James M. Young
and unanimously prevailed, and then
on motion of Ernest Allison Smith Frank
S. Robbins was chosen for a member
of the state central committee. The
convention authorized the state com-
mittee to fill any vacancy that might
occur at Mr. Hohenthal's departure
resume of work throughout the state
and adjournment was taken shortly
after 9 o'clock.

He passed the night as the guest of
James M. Young at Rock Glen and this
morning with his son and County Or-
ganizer Smith he continues to today's
meeting in Danielson.

NORWICH TOWN

Local Resident Tries Efficacious
Method of Fly Killing—Mountain,
Beach and Country Sought by Va-
cation Tourists.

A local resident has been making a
successful experiment in fly killing by
the use of pyroglutamic acid, a by-
product in the manufacture of turpen-
tine when the wood is directly dis-
tilled. This acid sprinkled where flies
are wont to gather makes such places
so obnoxious to them that they will
not stay. In large quantities the acid
costs about a cent a gallon.

Tarvia Misplaced.
Eternal vigilance is the price of

invitation to spend a day at one of

on taking the trolley for New Lon-
don that, notwithstanding all due care
her white suit was bespattered with
